R.O.B.

Department of the Interior,

Washington Jan. 3, 1885.

The Honorable

The Secretary of the Treasury,

Sir:

In pursuance of the practice of this Department in having Indian peace medals prepared bearing the likeness of the respective Presidents of the U. S. stamped thereon, it is now desired to obtain such a medal bearing the likeness of President Arthur, to be distributed to deserving Indians when occasion may require it.

I will therefore thank you to cause a

design of such a medal to be prepared by the Director of the Mint at Philadelphia, if not already done, similar in weight and size to the Garfield medal.

It is presumed that the expense per medal will not exceed that for those most recently furnished this Department, viz., \$7.00 for silver and a much less price for bronze.

It is desired that 10 medals be furnished - five in silver, and five in bronze, and the account therefor will be paid by the Indian Office upon presentation to this Department.

Very respectfully,

G. M. Teller,

Secretary.
